### Letter of Tendency

On 29 June 2009 the delegation from "East Azarbaijan Engineering Services Exporters' Association" of Iran made a meeting with the authorities of "Erbil Chamber of Commerce and Industry" of Kurdistan Iraq. The following letter of tendency is signed between the attendants of the meeting from both parts as the base of future interactions and mutual relationships.

This letter of tendency is signed between the authorities of "Erbil Chamber of Commerce and Industry" of Kurdistan Iraq and "East Azarbaijan Engineering Services Exporters' Association" of Islamic Republic of Iran for the purpose of extending mutual trusted trade between the private sector enterprises of Iranian part and the clients of Kurdistan Iraq. To accomplish the mentioned purpose, it is agreed that:

1. The authorities of both the parts emphasized that it will be better to establish a common commerce chamber between "Tabriz Chamber of Commerce, Industries, and Mines" and "Chamber of Commerce and Industry" of Kurdistan Iraq.
2. Consistent with the benefit of both the parts, it is emphasized that "East Azarbaijan Engineering Services Exporters' Association" could be the reference body of qualifying engineering enterprises who would like to enter any bids or tenders, and/or any legal/economical interaction with the clients in Kurdistan Iraq.
3. Consistent with the benefit of both the parts, it is emphasized that "Chamber of Commerce and Industry" of Kurdistan Iraq could be the reference body of qualifying any kind of enterprises who would like to enter any bids or tenders, and/or any legal/economical interaction with the clients in the region of East Azerbaijan.
4. Both parts indicated their high tendency to legalize the mutual interactions and extending trade relationships between the enterprises/organizations located in the territory of each part.
